

# MULTI COMBINATION LICENCE

## TLILIC3018 LICENCE TO DRIVE A MULTI COMBINATION VEHICLE

*A Multi Combination (MC) licence is required for a B Double – Prime mover with more than 1 trailer.  
A 3-axle prime mover with an A and B trailer each with bogie axles*

## RTO PARTNERSHIP

AJL Training have partnered with Wodonga Institute of TAFE (RTO no.3097) to provide training and assessment for Heavy Vehicle Licences.

## COURSE OVERVIEW

This course has been designed for drivers who hold a Heavy Rigid (HR) Licence or Heavy Combination (HC) Licence and want to operate a Multi Combination (MC) vehicle.

Participants in this licence course will be equipped with the skills and knowledge needed to safely operate these long, complex vehicles.

## LEARNING OUTCOMES

Participants will be instructed in the following components of safe Truck Driving:

- Performing cabin checks
- Performing pre-drive safety inspections
- Starting/Stopping sequence
- Coupling - uncoupling
- Turning and handling
- Reversing and manoeuvring
- Vehicle positioning
- System of vehicle control
- City and highway driving

## REQUIREMENTS TO ACHIEVE AN MC LICENCE

- Be at least 21 years old
- Have held an HR or HC licence for at least 12 months
- If you currently hold an HR licence, you must get an MC learner licence before doing the training course
- At Service Tasmania, demonstrate evidence of identity and PASS a heavy vehicle combination knowledge test (and pay the MC learner licence issue fee if required)
- Successfully complete the multi-combination training and final competency assessment with AJL Training
- Return to Service Tasmania and
  - Complete an application form
  - Show evidence of identity
  - Produce a medical assessment that shows you are fit to drive at the commercial level
  - Produce a Certificate of Competency to demonstrate passing the relevant licence
  - Pay the licence extension fee

Participants deemed Not Yet Competent after this duration will be required to undertake re-assessment.

**NOTE: If using own vehicle Client is required to obtain the MC Permit.**

## ASSESSMENT USING YOUR OWN VEHICLE REQUIRMENTS

**Should you wish to use your own vehicle and it fails to meet the criteria as outlined below, the training and assessment will cease at beginning of day, and reschedule fee of \$500.00 will apply.**

Main points are:

- Correct **GVM** or **GCM** for that class of licence that is required
- Vehicle must be loaded with at least 75% of the **GVM** for LR-HR or 75% of the **GCM** for HC-MC
- Vehicle is Registered
- Comprehensive insurance
- Roadworthy
- Must have power supply to connect our camera into. e.g. cigarette socket
- Weighbridge docket no older than 24hrs prior to the assessment (if the truck has working scales a weighbridge ticket is not required)
- **MUST be presented on the day – not conducted during the assessment**
- Photographic evidence of the load (required for auditing purposes)
- A heavy combination vehicle with more than one trailer. The vehicle must be B-Double rated and have all pertinent documentation, permits etc. The combination must be at least 22 metres in length in B-Double configuration, or
- The minimum vehicle type for an MC is 3-axle prime mover with an A and B trailer each with bogie axles
- MC Permit is the responsibility of the participant

## WHAT'S INCLUDED IN YOUR COURSE

All courses consist of:

- Theory Review Prior To Your Driver Training
- Load Restraint practical assessment
- On Road Instruction and Final Competency Assessment utilising an approved Assessment Route

## COURSE OPTIONS

AJL Training have training facilities located in: East Devonport and Prospect.

In some circumstances we may be able to attend a client's worksite (if meets criteria) however, all driving assessments must be conducted utilising an approved Assessment Route.

## ASSESSMENT OUTCOME

Upon successful completion you will receive a Certificate of Competence, which you will need to take to Service Tasmania and apply for your truck licence

Successful participants will be enrolled with our partnering RTO - Wodonga Institute of TAFE (RTO no.3097) and will receive a Statement of Attainment issued by WIOT upon completion.
